Notice, dated 10th December 1929.

Attention of the public is invited to the Notification published in the Mysore pages 1482-1493 of Part VI dated 19th December 1929, calling for tenders for the construction of a crossway at 2/88 of Mulhagal Goribidnu Road. The latest date for the receipt of tenders is 2 p.m., 22nd January 1930.

N. LAKSHMINARAYANACHARI,
Executive Engineer.

TUMKUR DIVISION.

Dated 16th December 1929.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 p.m. of 11th January 1930, for constructing a crossway at 2/88 of Mulhagal Goribidnu Road. An approximate estimate of quantities is given. The quantities are not guaranteed. The work should be completed before the end of 1930.

The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Tumkur between the hours of 11 A.M. and 5 P.M. on working days.

Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given showing the rates at which the different items specified will be executed both in words and in figures.

Each tender must be accompanied by a deposit of Rs. 175 in cash or Government Treasury Notes as earnest money and be inscribed "Tender for constructing Middle Crossway at 2/88 of Mulhagal Goribidnu Road," in default of which tenders will be rejected.

The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be cancelled, and the earnest money will be forfeited.

The name of the successful competitor, whose tender has been accepted, will be placed on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Percentage rates above or below the estimate amount will not be accepted.

No claims for enhanced rates will be entertained on any account after the acceptance of tenders.

The contractor will be dealt with in terms of the bond for any short progress or in matters of all disputes about rates, measurements, quality of work, etc., and in all of any kind the decisions of the Chief Engineer will be final and legally binding on the contractor.

Estimates should be quoted both in words and figures for each item of work and lump-sum items should be quoted in words only.
